Terrence Cortelli has been elected to the Pearl River School Board!

As some of you know, our very own [Terrence Cortelli](#) lives in Pearl River, New York, with his wife Patty and

their two children, Tommy and Emily. Tommy is a junior in the high school and Emily is an eighth grader. Last month, a group of well-intentioned parents asked Terry if he would consider running for a seat on the Pearl River School Board. They knew he has been a resident of Pearl River for almost 20 years, and his wife is a well-known teacher nearby. They thought he would make a good candidate. With the endorsements of the Pearl River Teacher's Union, Terry's campaign was successful and on May 17, he was voted onto the Board. His campaign platform was simple: "I am running for the school board because I love this town and I love this school district. I hope I can help make the schools even better." It is a three year term, starting July 1, 2022. Congratulations Terrence!

Q: How Do I Know If I Have A Case After A Slip-And-Fall Accident?

A: Different aspects of the law apply, depending on where and how your accident occurred. However, in ALL cases, it must be established that the property owner, agent or manager failed to keep the area where you fell in a safe condition. Law requires that the property owner knows of the dangerous or unsafe condition, or should have known, of the conditions.

Pet Corner!

Pictured above are the Mittman family's dogs. The one on the right is Stella. She was the Mittman's first dog. She is kind, sweet, and lazy. She prefers the couch over walks. The one on the left is Sadie. She is the younger one and has all the energy. She always finds a way to escape and run wild. Both dogs love playing with humans and other dogs. Say hi to Stella and Sadie!
